

FATHER'S DAY POEM

DEDICATED TO ALL FATHERS

Dear daddy

Thank you!

For understanding me

For listening to me

For giving me your time

For loving me unconditionally

For giving me the confidence to face life

For being my number one fan

For being my support system

For being my hero

For not judging me.

For holding my hands

Thank you for paying for things!

And for buying me things

Thank you for showing me all I can be.

Thank you for being the best daddy

in the whole wide world!

I love you daddy!
